

# MIYELANI EMMANUEL MAKARINGE

**Full-Stack Software Developer (.NET & MERN)**

Sandton, Gauteng

📞 067 693 7921 | 📩 emakaringe65@gmail.com | GitHub: <https://github.com/Emiyelan>

---

## PROFESSIONAL SUMMARY

Full-Stack Software Developer with 4+ years of experience delivering scalable web applications across the full SDLC. Strong background in C#, ASP.NET Core, and MERN Stack development, with hands-on experience in API integration, SQL optimization, and Agile delivery. Currently preparing for the **Microsoft Certified: Azure AI Fundamentals (AI-900)** exam, supported by **5 Microsoft Learn badges** in AI and Azure AI services.

---

## CORE SKILLS

**Languages & Frameworks:** C#, ASP.NET Core, React.js, Node.js, Express.js, JavaScript (ES6+), TypeScript

**Databases:** SQL Server, MongoDB

**Cloud & AI:** Microsoft Azure AI Fundamentals, Azure AI Services, Machine Learning Concepts

**Tools & Practices:** Git, GitHub, CI/CD, REST APIs, Agile/Scrum, Unit Testing

---

## PROFESSIONAL EXPERIENCE

**MIP Holdings — Junior Software Engineer** | Jan 2023 – Present

- Develop and maintain internal enterprise applications using JavaScript and OpenEdge ABL.
- Perform production bug fixes, validation checks, and release support to ensure system stability.
- Collaborate in Agile teams through sprint planning, stand-ups, and retrospectives.

**Mapapa Solutions — Junior Software Developer Intern** | Mar 2021 – Aug 2022

- Built and maintained web applications using C#, ASP.NET, and Entity Framework.
  - Designed and integrated RESTful APIs and optimized SQL queries for performance.
  - Provided application and database production support.
- 

## SELECTED PROJECTS

**SpendWise (MERN Stack):** Full-stack personal finance application with CRUD functionality and real-time monthly expense calculations.

**MovieVerse (React):** Movie discovery app using external APIs with asynchronous data fetching and responsive UI.

---

## EDUCATION & CERTIFICATIONS

**National Diploma: Computer Systems Engineering** — Tshwane University of Technology

**Microsoft Certified: Azure AI Fundamentals (AI-900)** — In Progress (5 Microsoft Learn Badges)

React.js (LinkedIn, 2025) | TypeScript (LinkedIn, 2025) | Full-Stack Bootcamp (Udemy, 2025)
